

PROJECT MANAGEMENT & AGILE

Scrum Master Exam Prep

Two-day intensive prep for PSM I, practice exams, and real case studies.

START DATE

5 Jul 2026

DURATION

2 days

TOTAL HOURS

12 hrs

PER SEAT

KWD 180 / seat

TIMING

8:00 AM – 2:00 PM

[OVERVIEW]

Two days of intensive PSM I exam prep with practice exams, real case studies, and live debriefs. Every attendee walks out exam-ready.

[WHAT YOU'LL WALK OUT WITH]

- Pass-ready understanding of the Scrum Guide and sprint mechanics
- Confidence facilitating Scrum ceremonies in a real team
- Exam tactics and timed practice across multiple full-length mocks

[COHORT DATES]

July 5–6, 2026

December 27–28, 2026

Scrum Master Exam Prep...

DAY 1

6 hrs

Scrum Framework Deep Dive

Why Agile, why Scrum; pillars, values, the three roles, all five events, artefacts and Definition of Done; first practice exam and debrief.

DAY 2

6 hrs

Exam Mastery & Simulation

User stories, backlog management and estimation, tricky scaling and cross-functional topics, two more practice exams, live Scrum simulation.

[WHO THIS IS FOR]

Team leads, project managers, and aspiring Agile practitioners pursuing PSM I. Prerequisite: familiarity with Agile concepts (some prior Scrum or sprint exposure). No coding. Maximum cohort size: 35.
